Examiner's Comment Regarding Drawings

Formal drawings are now required for all figures. The formal drawings must be submitted with or prior to the payment of the issue fee.

Examiner's Statement of Reasons for Allowance

An appeal conference was held with the Examiner of record, Appeal Specialist Edie Lee and SPE Charles Rones on December 12, 2006. It was determined that that combination of references to Judge et al. (U.S. Patent 6,401,138), Myers et al. (U.S. Patent 5,832,450) and Official notice cited in the final office action of June 1, 2004 would not teach all the features of claim 25, which is the sole independent claim. In particular, this combination does not teach the combination of features set forth in the third, fourth and fifth paragraphs of claim 25.

Since no other prior art or combinations of available prior art meet these limitations, claim 25 was determined by the examiner of record to be allowable. Claims 26-29 and 34-37 are also held allowable as depending directly or indirectly from claim 25.
